## MID-VALLEY OPEN 2012

*The Mid-Valley Athletes (left to right): Joel Ochse, Nick Vanderburge, Connie Bilbie, Joel Edwards, Alan Blanchard, Kenneth McLoughlin, Dutch Vandehey and Troy Bullock.*

**Thank you! Thank you!  
Thank you!**

We had a wonderful golf tournament and made nearly \$20,000 for the adults with disabilities that we serve at Mid-Valley. Thank you **Chehalem Glenn Golf Course staff, WSI** our presenting sponsor, **Jerry and Merrily Burger** for our grand prize, hole sponsors, contributing sponsors, donors, M-V Athletes, golfers, and volunteers. The list goes on and on.

**The 2013 Mid-Valley Open will be held at Michelbook Country Club. July 19, 8:00 a.m. Shotgun start. Please mark your calendar and save that date.**

# FISHING DAY—TILLAMOOK ANGLERS ASSOCIATION

Ever see the bumper sticker that says *I'd rather be fishing*? I think we've all dreamed of getting away and hooking the big one. Thanks to the Tillamook Anglers Association (TAA), Whiskey Creek Fish Hatchery, and scores of volunteers and donors, this dream comes true every year for hundreds of people with disabilities.

**Rose Sinsel**

**Terry Sizemore**

Each fisherman was matched with a volunteer, who assisted in baiting and fish removal until the limit of four was reached. Next it was off to the cleaning station where the fish were cleaned and packed in ice. Our own Pam White caught the final fish of the day.

Local fundraising subsidizes this complementary event. Plus, we didn't forget to get our free Tillamook Ice Cream cone before we left!

Soon it was lunch time and a wonderful barbecue was provided featuring chicken, hamburgers, and hotdogs.

On September 8th, 16 of our Mid-Valley clients made the trip to Tillamook

and came back with more than 60 fish. With all the smiles and fun, Ed Wanner said, *"this is one day I'd rather be watching."*

**Michael Wagner**

For 21 years, the second Saturday of September has been fishing day at Whiskey Creek. But Jerry Dove, president of TAA, and his team do far more than stock the hatchery with 1200 rainbow trout. From the moment our clients arrived, greeted with complimentary doughnuts and hot drinks, until the last fish was cleaned, iced, and bagged, it was a fun-filled day.

**Dana Kearns**

**Pam White**

## BIKE RODEO

In September, Mid Valley Rehabilitation hosted our annual Bike Rodeo, and, 16 lucky people participated. The event was held at the McMinnville Police Department where Officer Aaron Smith reminded the crowd of the Do's and Don'ts of the road. Following Officer Smith's great advice, we practiced our skills on an obstacle course set up especially for us.

Tommy's Bike Shop provided quick checkups on each of our bikes to

help us keep them at peak performance. Everyone enjoyed pizzas from 3rd Street Pizza served by Mid-Valley's very own staff.

After everyone was well fed, we set out on the road to put our bike skills to the test. Our route wound throughout McMinnville. The

group finally arrived at Serendipity for a cool treat.

You won't want to miss the Bike Rodeo next time.

# YCCH HALLOWEEN DANCE

information. The Christmas Dance is scheduled for December 7th, 7:00 p.m. at the McMinnville Community Center.

October 27<sup>th</sup> was a spooky evening at the McMinnville Community Center. YCCH and Mid-Valley sponsored the annual Halloween dance. There were some great costumes and many happy dancers. **Jason Fulham** was the DJ providing the great music. Thanks to all the volunteers that helped make it a great evening. Also, a thanks to Wilsonville Thriftway for the donated cookies. Would you like to volunteer? Call Joanne Williamson, President of YCCH, for

# HALLOWEEN AROUND MID-VALLEY

# SANDRA McQUILLAN—100 STORIES!

Lori Strahm is a reading coach in the Mid-Valley Reading Program. and she wrote about her reader **Sandra McQuillan**. "Sandra is an amazing woman! In the last three years she has read accounts of people who have shaped our country such as George Washington, Lewis and Clark, pilgrims, pioneers, and cowboys. She particularly enjoys articles from the *Reader's Digest*. She has learned about Diane Nyad swimming between Cuba and the

Florida Keys, dogs helping returning vets recover from their injuries through the Wounded Warrior Program, and many more. Congratulations Sandra! You are an inspiration to so many, especially me. Looking forward to another 100 stories."

*Right: Congratulations Sandra McQuillan on reading 100 Stories!*

*Submitted by:  
Lori Strahm  
Reading Coach for Mid-Valley  
Reading Program*

# READING PROGRAM—MILK WITH MY TEA

In July, the readers and support staff were invited to Mrs. Hardy's home. The ladies had tea parties and read the book *Milk with My Tea* by Allen Say. Following that the ladies tried on kimonos.

*Right: Ross Luis playing Bocci Ball.*

On another day, the gentlemen came for cookies and Bocci Ball. We think we will make it a tradition.

*Above: Patty Highley (left) and Patty Opheim (right) attending the tea party in kimonos.*

# READING PROGRAM—GARDEN PROJECT

Some clients have been reading and learning about plants. **JR Loredo** and **Ross Luis** built a raised bed for gardening at Davis Street. Pete Schoonveld helped get soil from NW Greenlands. The guys planted a variety of seeds and plants. The photo below is an example of the results from the garden.

*Above left to right: Ross Luis, Pieter Schoonveld and JR Loredo building the garden project.*

*Right: The harvest!!!*

# PATTY OPHEIM—RITE AID EMPLOYEE OF THE QUARTER

Rite Aid's Employee of the Quarter is....

**Patty Opheim!** Patty was hired at the McMinnville Rite Aid in April 2012. On September 1st, she was awarded Employee of the Quarter by the store manager, Wendy Hackman. Patty was completely surprised and said "Oh wow" when Wendy presented her with the certificate, a \$10.00 gift card, and a pin. Patty has wanted to work in

*Left: Patty Opheim and Rite Aid Manager Wendy Hackman.*

retail, and with her Employment Specialist Cherri Davis, she focused on that goal. Wendy said "Hiring Patty was one of the best decisions I've made; she is awesome!" Patty takes care of the store's janitorial needs, stocks, and faces shelves. She also works a second job as a janitor at DMV. Congratulations Patty! You had a goal, stuck to it, and now you are Rite Aid's Employee of the Quarter!

## NEW LANDSCAPER IN DALLAS

Dallas has a new landscaper and he is doing a great job. **Steven Spenner** lives in Salem and works in Dallas performing the landscaping at Dallas CIS, Cherry Heights, and Chemeketa Community College. Bonnie Delsman, Manager of Cherry Heights, says that "Cherry Heights has never looked better." The properties look great because Steven enjoys his work and works hard to keep ahead of the weeds.

Steven enjoys riding his quad, camping, hunting, and basketball. Steven also enjoys helping others in need. He is probably a good person to know if you need moving help! Steven is a welcome addition to the Mid-Valley family. Thanks for your hard work and great personality!

*Above: New Dallas landscaper Steven Spenner.*

## NEW CASHIER AT SALEM WALMART

*Left: Andrew Russell, South Commercial Wal Mart in Salem new cashier.*

Congratulations to **Andrew Russell** for your new job at Walmart in Salem. Andrew started his new career as a cashier for the Commercial Street Walmart. He did amazing at his interviews, and as part of the interview process, handled a practice cashiering session with ease. Andrew has a

heart for customer service, and he will do great helping customers at Walmart. If you are in south Salem, stop in to pick up a 70" flat screen TV and Andrew will gladly help you during check-out. Way to go Andrew!

## WELCOME NEW CLIENT EMPLOYEE

**Allison Dean** is the newest member of the Industrial Services team! She enjoys learning the new jobs available to her at IS and does so with a smile. She works 2 days a week and wears a smile everyday

she is here! She adores seeing all of her friends from Special Olympics and school. We are so glad to have you on board Allison!

*Right: New at Industrial Services, Allison Dean.*

# SERENDIPITY SUMMER

Summer at Serendipity was FANTASTIC!!! Beautiful weather, lots of awesome events, and a fabulous crew made for the most successful Summer in the history of Serendipity Ice Cream. It really all started in May with Alien Daze and just kept getting better from there on out. At the end of June, we challenged our friends to help us reach 1,000 fans on Facebook and we would reward them with free ice cream. They rose to the challenge in record time leading to our "FREEdom Never Tasted So Sweet" event on July 4<sup>th</sup> where we gave away "FREEdom" cones all day. Next came Turkey Rama, and with the carnival moved back to downtown for the first time in years, we saw record crowds and enjoyed a fabulous event. Also in July, we rolled out our "Kid Creators" program, asking our children friends to create their own treat and submit it to our contest. The prize at stake was, not only having their creation featured as a

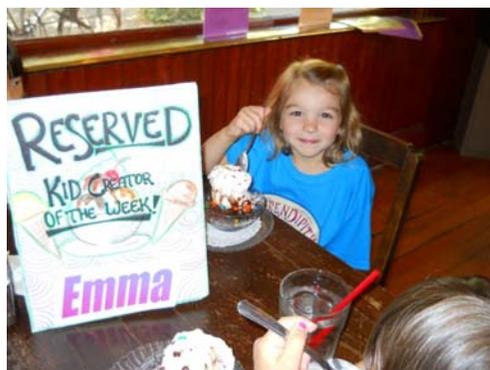

special for a week, but also a party with 8 of their friends where everyone got to enjoy their creation for FREE! We chose 5 children: Trevor, Emma, Scout, Maggie and Brandon, and their super creative

treats were huge hits! Next time you are in, look for our scrapbook of "Creators and their Creations." Just as it seemed, that summer should be wrapping up, the third annual Drag the Gut Festival was held on the last Saturday in August and it was FANTASTIC! The streets were full of cars originating from eras old and new, and the sidewalks were full of crowds out to enjoy them for hours on end. The Drag

the Gut Festival has continued to grow every year, and this year's event ended up being Serendipity's second biggest sales day of the summer (second only to Alien Daze)! All of these great events were in addition to our monthly 2<sup>nd</sup> Tuesday Fundraisers, which have been a lot of fun for us and our partner not-for-profits. Thank you to everyone who came by to see us! We hope to see you soon for hot soup!

## NEW STAFF AT INDUSTRIAL SERVICES

Industrial Services is proud to announce our newest addition to the IS supervisory team - Patrick Murders! He is a native Oregonian, but recently returned from a few years in California where he drove trucks. He has learned the different aspects of his new job as a floor supervisor. When he is not working hard forming Seedballz, doing the

shred pick-ups, or "other duties as assigned," he loves fishing and golfing. Pat, you are a great addition and we are very glad you came back to Oregon, but even more pleased to have you on our IS team.

*Right: New staff at Industrial Services, Patrick Murders.*

# MILESTONES

*A big shout out goes out to Roger Selleck. He has lost over 100 pounds!!! Good Job Roger, keep up the good work!*

*In August, the Wood Products team reached 19 years without a time loss accident. Congratulations to the team on such an AWESOME accomplishment!*

## VICTOR HIGHLEY—45 YEARS

This year we were lucky to celebrate a momentous occasion... **Victor Highley's** 45 years of employment with Mid-Valley! He was one of the first clients to join Mid-Valley back in 1967 and has been working ever since. We were joined at the party by his guests

including his wife Patty, current and previous managers, and a lot of friends! He was even surprised by Ezra Kilmer. Mr. Kilmer was the second executive director of Mid-Valley and the production manager before that. Victor worked in the Wood Shop at that time. Over the years Victor has been able to work at different locations throughout Mid-Valley such as Janitorial, the Lunch Program at Wood Products, and now at Industrial Services. It was great to see everyone gathered to celebrate such a significant event! Congratulations Victor for all of your hard work.

*Left: Congratulations to Victor Highley, 45 Years!!*

*Above: Ezra Kilmer (left) stops by to congratulate Victor on his accomplishment.*

## MILESTONES—CONTINUED

### MICHAEL WAGNER—31 YEARS

In September, **Michael Wagner** achieved 31 years of employment with Mid-Valley. We were able to celebrate his 31 years because his 30-year anniversary was lost in the shuffle during his vocational transition from his working years on the Janitorial Crew to working at Industrial Services! Michael works 4 days a week and LOVES to help take

out the trash and work on Seedballz. He is always willing to give a hug to people and can bring a smile to anyone's face. He enjoys interacting with his friends and is a great person to have on the IS team. Congratulations Michael and thanks for all of your efforts over these last 31 years!

### SANDRA McQUILLAN—30 YEARS

**Sandra McQuillan** began working with Mid-Valley in 1982 and was recently awarded the 30 Years of Employment Certificate. She was surrounded by managers (both past and present), friends, and co-workers. She was very proud of her accomplishments and told some stories of her past work experiences, from working on the Janitorial Crew in 1987, Freelin-Wade a few years later, and now at Industrial Services

where she loves to sort and prep documents to be shredded. Sandra resides at Valley's Edge and participates in the Mid-Valley Reading Program (see article in this edition). Great successes, congratulations Sandra!

### ROSE STANHOPE—25 YEARS

**Rose Stanhope** celebrated 25 years of employment with Mid-Valley! She began working in 1987 at Freelin-Wade, followed by a few years at Wood Products. After that she worked for a short time on the Janitorial Crew and is now working at Industrial Services 3 days a week.

When asked which job at IS she likes the most, she said she doesn't complain, she likes them all! Not only does she have a great attitude towards work, but she has the great attendance to go along with it! Fantastic job Rose, keep up the great work!

### AARON SCOTT—20 YEARS

**Aaron Scott** celebrated his 20th year of employment with Mid-Valley. He currently works at Industrial Services 5 days a week doing an assortment of jobs. He loves making the rounds by gathering the recycling and emptying trash cans. Aaron also works on the cigar line, in the shred area, and on various 0-

rings. He loves talking about basketball, especially the Portland Trailblazers, of which there is no bigger fan! Thank you Aaron for all your dedication and hard work!

## MILESTONES—CONTINUED

### TRICIA BALLENGER—15 YEARS

**Tricia Ballenger** recently celebrated 15 years of employment with Mid-Valley. She works 4 days a week at Industrial Services and wishes she could work till 5 pm every day! Despite being blind, Tricia is able to do the majority of the jobs here with 100% quality. She is even able to determine if the microscopic O-ring is not the correct one for the job or

if a piece is faulty. Her favorite job, hands down, is placing felt in the cigar lids and being able to complete over 1,500 pieces in a single day! She is a great member of our team and we are very lucky to have her.

### JOSH HUBER—10 YEARS

Wood Products would like to offer huge congratulations to **Josh Huber** for 10 years of employment with Mid-Valley. During his career, he has worked various community jobs and is now working as a production worker at Wood Products. Josh's interests include sports, especially soccer, and is an avid Portland

Trailblazer and Oregon State Beaver Fan.

Congratulations Josh, we look forward to the next 10 years and beyond.

### TI GAHR—5 YEARS WITH STAPLES

**Ti Gahr** will be celebrating 5 years of continual employment with Staples in McMinnville on November 14, 2012. Ti is responsible for keeping the store's floors scrubbed and buffed and for maintaining the overall cleanliness of the store. Congratulations for 5 awesome years at Staples. Keep up the good work!

### MIKE MIGLIORETTO—5 YEARS

**Mike Miglioretto** received his 5 Years of Employment Certificate this September. He currently works at Industrial Services 2 days a week and enjoys interacting with his co-workers. He is extremely quick at packaging 8 Seedballz in a bag and gets extremely excited when he

beats his personal best time. He is a self-proclaimed "sports nut," and claims to be the biggest baseball and football fan ever. He loves the U of O Ducks, Seattle Mariners, and San Francisco Giants! Mike participates weekly in the Mid-Valley Reading Program. Great job Mike and here's to many more years!

# EMPLOYEE OF THE MONTH

## SEPTEMBER 2012—MIGUEL ELKINS

When openings came up for Mid-Valley vacated positions that needed to be filled, **Miguel Elkins** did not hesitate to say "I'll do it." Miguel has shown enthusiasm in getting the job done! Miguel's duties include litter patrol, downtown watering and balances this with his employment on the Janitorial Crew as well. Work

isn't just a word to Miguel, it is an obligation and he takes it seriously! Congratulations Miguel! Thanks for all your hard work!

## SEPTEMBER CITIZEN OF THE MONTH—ANDREA GRANROTH

**Andrea Granroth** has been in our Amity CIS program for several years. She is a wonderful asset to our program and staff enjoy her bright, cheerful attitude and her willingness to help whenever an opportunity arises. With a great smile, Andrea also enjoys making cards for birthdays and other special occa-

sions. She also enjoys baking, participating in arts and crafts, and dancing to music. Way to go, Andrea!

## OCTOBER 2012—ANNE WALL

**Anne Wall's** work habits have been notably impressive over the past 6+ months. She has shown up for all scheduled shifts unless she is sick, in which case she has been excellent about following proper call-in procedures; she will call in as soon as she knows that she may need to miss work. If no one answers the phone, she will leave a voicemail and continue to call back occasionally through out the morning until she is able to speak to staff directly. On one occasion this summer, a staff member overslept and was 20 minutes late, but Anne sat at a table outside and waited patiently for them to arrive. I was VERY impressed by this because there was a time when Anne would leave and go back home if staff was not here when she arrived, even if it wasn't quite yet time for her shift to start. She has been enjoying

learning more food prep tasks and has started to take the initiative to follow the prep list on the board when looking for tasks without staff needing to direct her. If she is unsure about what to do next, she is great about asking staff for direction instead of waiting for staff to notice she needed a new task. She has also started to take responsibility as a team member. At one point she came to me and mentioned that a co-worker had missed a spot while sweeping. I asked if she had let them know so that they could fix it. She said, "No, but I should do that" and then approached her co-worker and kindly showed them the spot they had missed. We are all very pleased with Anne's growth in both skills and the level of responsibility. Thank you Anne! Keep up the great work!

*By Wendi Hoag*

# EMPLOYEE OF THE MONTH

## OCTOBER 2012—RUTH WALTON

**Ruth Walton** has made an important contribution to the Cherry Heights program in the 16 months she's been an employee. One of the residents can have challenging behaviors, as she has a sophisticated and complex mind that requires patience, close monitoring, and a lot of positive reinforcement. Ruth has created and maintained an excellent working relationship with our challenging resident. She has helped the resident achieve new skills that some had thought to be impossible. One of the biggest tasks Ruth has completed is getting the

resident to ride an elevator. It took weeks of patience but the resident became more confident and is now able to use an elevator. This opens up a very useful skill. Ruth also challenges her to learn other new skills – gardening, using an iPad, learning new Structured Teeach activities, and interacting in new games. Ruth has her giggling and smiling, and initiating physical touch.

A picture is worth a thousand words – Cherry Heights has a picture of the resident hugging Ruth that brings

tears to the eyes of the observer. Thanks for all you do, Ruth.

## OCTOBER CITIZEN OF THE MONTH—DIANE CHLADEK

**Diane Chladek** was nominated and elected Citizen of the Month for October 2012 by the Mid-Valley Management Team. Diane was on an outing with staff in the van when they got hit by a driver who drove through a red light. Diane was extremely brave after the accident. She kept staff from losing consciousness by yelling at her to stay awake and then told people who to call. Diane was hurt herself, but didn't want to leave the staff and

stayed with her the whole time. She was more concerned about staff than about herself. Diane is our hero.

## RING OUT 2012

Mid-Valley has some wonderful opportunities for your end-of-the-year giving. You will find a self-addressed envelope included in this newsletter for your use.

Some ideas include:

The **Special Needs Fund**, which continues to support projects for clients that need specialized medical care, hearing aids, and program participation support.

The **Margaret Reavis Larsen Scholarship Fund** for vocational scholarships.

The **Ron Edwards Memorial Scholarship Fund** (funded by the Mid-Valley Open Golf Tournament proceeds) funds scholarships in residential, and vocational services.

The **Mid-Valley Charitable Fund Scholarships**, which offset private pay in vocational and residential services.

Mid-Valley is a 501 (c)(3) private, non-profit charitable organization so your donation should be tax deductible.

Those of you who receive this newsletter online and wish to contribute, please mail to:

*Mid-Valley Rehabilitation, Inc.  
16700 S Hwy 99W  
Amity OR 97101.*

Thank you for your help as we serve over 200 adults with disabilities.

# McMINNVILLE CIS—PAY BACK TO THE COMMUNITY
